1. The tenders will be opened in public at 3 P.M. on 9th March 1953. The work should be completed and handed over to the Department in tidy condition within the period noted and the monthly progress should not be less than the amount specified against each work, failing which, penalty as per agreement or departmental rules in force at the time will be enforced.

2. The plan, detailed estimate and the conditions may be seen at the Offices of the Executive Engineer, Electrical Division, Tumkur, and the Assistant Engineer, No. 2 Electrical Sub-Division, Hassan.

3. Tenders are to be submitted in prescribed forms only which can be had from this office on payment of four annas (Re. 0-4-0) per set of form for each work. The forms can also be had through post direct to intending tenderer provided the cost of forms *plus* postal charges, in case forms to be sent by post is paid in cash and requisition be given well in advance. This office will not be responsible for delay or non-delivery of tender forms sent by post.

4. Each tender must be accompanied by a deposit specified as earnest money. The earnest money has to be paid in cash at this Office or any Power and Lighting Office of this Department and receipt enclosed to the tender. In case of tender deposit of over Rs. 500, Government Promissory Notes of the Government of Mysore or of Dominion of India at their face or present value or Savings Bank Deposits in Mysore Government Treasury duly pledged in favour to the Executive Engineer, Electrical Division, Tumkur, may be accepted by the Executive Engineer at his discretion.

5. No tender will be received without deposit and no adjustment can be made from the pending bills or the deposits of other works towards the tender deposit of this work.

6. The final acceptance of any tender will rest with the Executive Engineer, Electrical Division, Tumkur, who does not bind himself to accept the lowest or any tender or to assign any reasons whatever for the rejection of any tender, who also reserves the right to accept or reject any portion of the tender.

7. The name of the successful tenderer will be posted on the notice board of the offices referred to in para 2 above in due course. No enquiries regarding the acceptance or rejection of tender will receive any reply.

8. Within 8 days of the award of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money forfeited. The work should be started within a week from the date of acceptance.

9. On acceptance of one of the tenders, the earnest money of rejected tenders will be returned either in this Office or through the Assistant Engineer or any of the Power and Lighting Office of this Department on the tenderer submitting refund bill surrendering the original receipt granted.

10. The contractor has to make his own arrangements at his cost for water required for construction, quarries, supply and transport of materials. This Department does not undertake to provide lorries or petrol coupons.

11. Specifications for Civil Engineering Works are those recognized by the Public Works Department of Mysore and Marryot's Specifications (P.W.D. Handbook, Bombay) and B.S.S. or A.I.E.E. Specifications for electrical works.

12. Only controlled articles like steel and cement, etc., will be supplied by the Department at the nearest departmental stores at controlled rates *plus* incidental charges at 15 per cent or other percentage as per departmental rules in force at the time of issue of the materials.

13. The contractor himself should pay royalties, tolls, sales-tax and any other tax that may be prescribed by Government from time to time.

14. As per Mysore Government Notification No. O.M. Fl. No. 6091-2—G.F. 60-50-4, dated 21st October 1950, the contractor should furnish Income-tax Clearance Certificate with the tender or before the execution of the agreement at the latest, failing which, the tender or contract will be cancelled and the tender deposit forfeited.

15. The contractor should be bound by the conditions of the Schedule of Contract of the Electrical Department.
